Year R Weekly Information Sheet 15/10/2021

PUPIL PROGRESS MEETINGS (Parent's Evening): Next week is our first pupil progress meetings in Year R, Wednesday 20th and Thursday 21st October. The meetings will take place virtually via zoom and links will be sent out Monday. Please ensure you sign up to an appointment time via your SCOPAY, logins were sent home last week. Any problems contact the office or email parents@foundrylaneprimary.co.uk. We can't wait to chat about the amazing start your child has made in school.

WOW MOMENTS: Thank you for all the wonderful 'wow' moments you have been sending in. We have attached some more slips, when your child does something to make you proud and you want to share it with us please write it down and send it in.

THIS WEEK YEAR R HAVE BEEN LEARNING.....

PHONICS: This week we have learnt our first set of new sounds **ll**, **ss**, **j**, **v**, **w**. We hope you are enjoying completing the phonics sheets at home and keep referring to the previous sounds they have learnt. Don't forget the Alphablocks Episodes are a great way to reinforce the children's learning.

TRICKY WORDS: This week the children were introduced to tricky words. These are words the children just need to know and cannot sound out. Challenge your child to read these words and see if they can spot them in other pieces of writing.

I	go	to	no	The
---	----	----	----	-----

MATHS: In Maths this week he have been learning about composition. This is where children begin to understand that numbers are made up of different amounts. For example 4 can be made up of 2 and 2, 3 and 1. We have started by looking at the numbers 2, 3 and 4. There are some wonderful Numberblocks episodes which the children have really enjoyed watching to help with their understanding. Series 1, Episodes 3,4,6.

PE: Please can you get your child to practice putting shoes and socks on at home to support the children's independence when putting them on after PE. Also for children who have earrings please ensure they are taken out before school on Mondays.

CLOTHING: While the weather is changing we have noticed some children are not appropriately dressed for the colder weather. In Year R we go outside at least 3 times a day and in particular the mornings have been cooler than expected. Please ensure your child is coming to school with a jumper or cardigan as well as a coat so they can keep warm while we learn outside. Also remember to name them as some jumpers have gone missing and parents have said these are named. Please check any jumpers at home to make sure you only have ones which belong to your child.

KEY DATES:

Monday 18th October - INSET day - school closed
