Year R Weekly
Information Sheet
10/12/2021

THIS WEEK YEAR R HAVE BEEN LEARNING.....

CHRISTMAS PERFORMANCES: Well done to all the children for their amazing performances in the Christmas assemblies! We are so proud of you all. Thank you also to the grown-ups for adhering to the rules and providing your child with their brilliant costumes.

PHONICS: Please keep practicing the sounds your child is learning. This week's sounds were: i d c k ck g e h ss u b

TRICKY WORDS: Children have been learning the following tricky words. These are words the children cannot sound out and just need to learn by sight. See if your child can read any of these words at home.

we	me	be	is
----	----	----	----

TIME TO SHINE: This week we have been very crafty making lots of winter crafts. You will get to see what your child has made next week.

MATHS: In maths this week we have been learning about the numbers 1-5. We have been matching quantities to the numbers e.g. putting 5 bears with the number 5. We have also been using our fingers to show how many we have got. We have also been discussing that even when a set of objects is rearranged that the quantity stays the same. E.G if you made a tower of 4 blocks and then knocked it over, there would still be 4 blocks.

This week there is a special Numberblocks episode on Sunday 12th December at 9:35am.

RE: Next week the children will be learning about why Christians celebrate Christmas linking to the birth of baby Jesus. To support their learning we would like all children to bring in a photo of them celebrating one of their birthdays. If you are unable to print this out please email them to YearR@foundrylanepriamary.co.uk clearly naming the child in the email so we know who's picture it is.

RETURN BOOKS: Please check at home for any reading and library books you may still have. Next week we will be collecting in all reading books, we will not issue any new ones over the holidays but keep enjoying books at home and record any reads your child does in their reading log.
