Wow your child has completed their first term at school! 
The children have all done so well at settling into new routines, making new friends and learning new skills! We are so very proud of every child.

Topic: This week in topic we have been learning about celebrating birth and birthdays. This is linked to the First Christmas. The children have listened to stories, discussed their own birthdays when they shared their pictures and made decorations to celebrate birthdays. We then talk about how Christians celebrate the Birth of Jesus at the first Christmas.

Christmas Video: We have shared the Christmas videos with you via email. The children were superstars learning the dances and then performing them.

Word lists: We have a tricky words word list which are words which can't be sounded out. Please practice these with your child.

I	no	go	to	the
into	he	she	we	be

Homework: We have included some fun activities you can do over the festive period. There is a pencil control sheet where children can practice using their '3 friends hold' to follow the snow ball, a CVC word I spy, winter I spy,

2D shape I spy and 2D shape colouring. Although we have given the children some activities to do it is just to keep them busy. This holiday is really important to spend time together as a family. Enjoy each other's company and play, play, play 😊

Teacher wishes: Over the holidays please continue to support your child to do up their coats independently. This will speed up the class when we are getting ready for lunchtime, home time and going outside.
