Year R Weekly Information Sheet 6/5/2022

THIS WEEK YEAR R HAVE BEEN LEARNING.....

PHONICS: This week we have introduced the digraphs **ng** as in **ring** and **ai** as in **rain**. We are now going back over the digraphs the children have already learnt to build up their confidence in the sounds. Children today have brought home their booklets they have been working on all week so please spend time practicing the sounds they are learning at home.

STORY TIME: Each week we are going to have a story focus to encourage language development and comprehension of stories. This week's story is **Snail and the Whale**. The children have acted out the story and asked their own questions. The animation of the story can be found on iPlayer.

MATHS: This week the children have been learning to subitise to 6, recognising when it is 6 or not. Children then went on to recognise quantities within 6, for example seeing that there is 4 dots and 2 dots. We also recapped doubles "6 is made of 3 and 3. Double 3 is 6."

KINETIC LETTERS: This week the children have been learning to write the Curved Lined capital letters **C O S G Q**. The children then had a go at writing sentences starting with he, she, they and we. We have attached the sheets to go with these capital letters so children can practice at home.

ROUND THE WORLD: Today we have been learning about France. The children have located the country on the map, we have looked at different buildings in Paris, tasted croissants, painted Claude Monet's Waterlilies, practiced the Can Can and learnt about the game Petanque. The children have been really excited to find out about different countries and where they are located on a map.

KEY DATES:

Monday 30th May - Friday 3rd June HALF TERM School closed
