Year R Weekly Information Sheet

Welcome to Year R!

It has been lovely getting to know the children and their families during the meet the teacher appointments this week.

We have had a lovely few half days with the children and they have begun to really settle well. The children have all had a great time seeing familiar faces, making new friends and getting used to the routines in school. Different children take different amounts of times to settle, and a few tears are always expected. Thank you for your support in letting your children come into the classroom independently. They have been superstars! Don't forget if you need to contact your child's class teacher you can use the yearR@foundrylaneprimary.co.uk email.

BOOK BAGS: It is essential that your child has a bag in school every day, we will start sending home reading books in the next few weeks which children need to keep in school everyday. The bag can be a Foundry Lane book bag or one from home but must be the size of a book bag so it can fit in your child's tray. Please remember to name them!

WATER BOTTLES: We encourage children to bring in water bottles to have during their time in school. Please send your child in daily with their water bottle, it must only contain water.

LUNCH: Next week the children will be staying for lunch. We have included a social story for the children to look at before Monday. We have had a visit to look at the canteen today but if you can read through the social story with your child over weekend it will help with the transition as lunch times can be a little different. At the end of the newsletter we have also included the lunch choices to help your child make their decision before coming to school.

WOW MOMENTS: This week we are launching WOW Moments. This is where children can share their achievements from by filling on a little slip and bringing it in. If the children are helpful, kind or try really hard with a job we would love to be able to share these with the class and put them on our WOW board. Please see the attached sheet which can be cut up and shared. There are lots of blank ones in the classroom so please always ask if you need new ones.

THIS WEEK WE HAVE LEARNT: Everyday the children have settled into their morning routines including washing their hands, putting away their things in their tray and choosing their own activities. The past few days we have given children lots of opportunities to explore the classroom and the outdoor space through our discovery time. Children have been building train tracks, playing in the water outside, acting out stories and making lots of cups of tea in the role play area!

NURSERY RHYMES: This half term the children will be focusing on different nursery rhymes and other rhymes. Over the next few weeks we will be focussing on incy wincy spider and number rhymes such as 1,2,3,4,5 Once I caught a fish alive.

PE: Children will start PE from Wednesday so please send your child in wearing their PE kits and they will wear it all day. Children should be wearing plain black shorts/jogging bottoms/leggings, their colour group t-shirt, school jumper/cardigan and black trainers or school shoes. Please encourage your child to practice taking off their shoes and socks and putting them back on.

DON'T FORGET TO NAME EVERYTHING!
