## THIS WEEK WE HAVE LEARNT

**THE GINGERBREAD MAN:** This week we carried on our learning about the gingerbread man. The children had a go at writing labels for the characters in the story. They have really enjoyed this story.

**WORD AWARE:** Please encourage your child at home to use these words. Children are not supposed to read these words they can just use the pictures as a language prompt. Have a go at home and see if your child can act out the words - can they go across the room quick? Can they chase a ball?

**PHONICS:** This week we have gone over the sounds we have already learnt to ensure the children are hearing, saying and reading them. Can your children spot the j, v, w, x, y, z sounds when they are out and about. Sign With Steve Alphabet:

**TRICKY WORDS:** We are continuing to read these tricky words which children cannot sound out, they just need to be able to read them.

I	the	into	to
go	no	so	he
she	we	me	be
is			

**MATHS:** In maths this week we have been learning about 1 less. The children have been using the stem sentence 1 less than \_\_\_\_ is \_\_\_\_\_. They have been getting a quantity up to 5 then taking away 1 less so '1 less than 5 is 4.' You can encourage using the vocabulary of 1 less at home when having 1 less toy, 1 less piece of veg or 1 less story.

**KINETIC LETTERS:** This week we continued the jumper family, learning to write the letters m and r. These letters go down, bump back up, push over. We have made a little sheet for them to practice at home and also so you are familiar with the formation. The letters also either start from scared monkey or brave monkey, they don't start on the line.
