

## Long Term Curriculum Map – Geography

Term	Year R	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
1A	<u>Autumn</u> <b>Human and Physical</b> Explore the natural world around them.	<u>Weather</u> <b>Human and Physical</b> Seasonal and daily weather patterns in UK	<u>Where we live – Little blue planet</u> <b>Locational knowledge</b> World's 7 continents and 5 oceans. Equator - hot and cold areas of the world. North and South poles. Geographical Skills and Fieldwork World map	<u>Contrasting settlements</u> <b>Locational knowledge</b> Countries and cities UK <b>Place knowledge</b> sims and diffs regions of UK <b>Human and Physical</b> settlement, land use, trade links Geographical Skills and Fieldwork 4 and 6 figure grid refs. OS maps of UK	<u>Polar regions</u> <b>Locational knowledge</b> Significance of Equator, Northern Hemisphere, Southern Hemisphere, Arctic and Antarctic Circle. <b>Human and Physical</b> Climate zones, biomes and vegetation belts. Geographical Skills and Fieldwork Digital/computer mapping, describe features		
1B						<u>Rivers</u> <b>Locational knowledge</b> Cities/Rivers of UK <b>Place Knowledge</b> Key topographical features understand how some of these aspects have changed over time. <b>Human and Physical</b> Physical processes of rivers. water cycle land use and the distribution of natural resources <b>Geographical Skills and Fieldwork</b> Measure and record physical features of river including sketch maps, plans and graphs, digital technologies.	<u>Stubbington</u> <b>Geographical Skills and Fieldwork</b> Use fieldwork to observe, measure and record the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies. Use the eight points of a compass, four and six-figure grid references, symbols and keys (including OS maps) to build their knowledge of the UK and wider world
2A	<u>Winter</u> <b>Human and Physical</b> Understand the effect of changing seasons on the natural world around them.						<u>Natural Disasters</u> <b>Human and Physical</b> Distribution of natural resources including energy, food, minerals and water. Physical processes of volcanoes and earthquakes.
2B	<u>Farm Vs City</u> <b>Geographical Skills and Fieldwork</b> Use simple fieldwork and observational skills to study the geography of schools and its grounds and the key human and physical features of the surrounding environment		<u>Southampton/Perth</u> <b>Place knowledge</b> <b>Geographical Skills and Fieldwork</b> World map		<u>Coasts</u> <b>Human and Physical</b> Understand key aspects of physical processes of coasts and types of land use. <b>Geographical Skills and Fieldwork</b> Use fieldwork to observe		

3A		<u>Testwood Lakes Vs School garden</u> <b>Geographical Skills and Fieldwork</b> Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features. Devise a simple map and use and construct basic symbols in keys. Use simple fieldwork and observational skills to study the geography of schools and its grounds and the key human and physical features of the surrounding environment				<u>Brazil/Rainforest</u> <b>Locational knowledge</b> Countries of South America + cities. Latitude/longitude and the Greenwich Meridian. <b>Place Knowledge</b> Understand geographical sims and diffs region of South America <b>Human and Physical</b> Distribution of natural resources including energy, food, minerals and water. <b>Geographical Skills and Fieldwork</b> Mapping (Google Earth) to locate countries and describe features studied	<u>Mountains</u> <b>Human and Physical</b> Understand physical processes of mountains. <b>Geographical Skills and Fieldwork</b> Mapping (Google Earth) to locate countries and describe features studied
3B	<u>Around the World</u> <b>Locational knowledge</b> England, Africa, France, Poland, India <b>Place knowledge</b> Sims and diffs of 5 countries. <b>Human and Physical</b> Compare the weather, physical, cultural, human features of these different countries. <b>Geographical Skills and Fieldwork:</b> World map	<u>Where we live – Local area.</u> <b>Locational knowledge</b> 4 countries of UK + capital cities. <b>Place knowledge</b> Sims and diffs of 4 countries. <b>Human and Physical</b> <b>Geographical Skills and Fieldwork:</b> UK map	<u>Kenya and Canada</u> <b>Human and Physical</b> hot and cold climate and the location of hot and cold areas of the world <b>Geographical Skills and Fieldwork</b> World map	<u>Spain</u> <b>Locational knowledge</b> Equator, Northern Hemisphere, Southern Hemisphere, Tropics of Cancer and Capricorn. Locate the countries of Europe including Russia and major cities <b>Place knowledge</b> sims and diffs Spain/Europe <b>Human and Physical</b> Settlement, land use, trade links <b>Geographical Skills and Fieldwork</b> Digital/computer mapping to locate countries	<u>U.S.A.</u> <b>Locational knowledge</b> Maps: North America, environmental regions, major cities <b>Place knowledge</b> understand geographical sims & diffs through the study of region of North America <b>Human and Physical</b> Physical and human characteristics of USA <b>Geographical Skills and Fieldwork</b> Use maps, atlases, globes and digital/computer mapping		

- **Locational knowledge** – name and locate local, national and international places of interest
- **Place knowledge** – Understand geographical similarities and differences through studying human and physical geography
- **Geographical Skills and Fieldwork** – map skills, atlases, compass: locational and directional language, fieldwork
- **Human and Physical** – seasons, weather, hot and cold regions, key physical features, key human features
