THIS WEEK WE HAVE LEARNT:

MATHS: This week in maths the children have learnt about the number 8. We have explored counting to 8, matching the numeral, using a tens frame to make 8 and finding different compositions of 8. The children have learnt the phrases "8 is made of 5 and 3, 5 and 3 make 8." "5 is a part, 3 is a part and the whole is 8." The children went on to use lots of different resources in the classroom to make 8. You can watch the numberblocks episode on iplayer
