

THIS WEEK WE HAVE LEARNT

RE: This week we have been talking about how we remember people and events. The children enjoyed sharing their wow books and remembering the things they have done in Year R as well as sharing their special person photos. We then had a visit from Mrs Singh who spoke about how Sikhs remember Guru Nanak.

PHONICS: We have revised the diagraphs we have already learnt. This week we have focussed on ch, sh, th and ng.

CHALLENGE: Can your child read these words

chip	shut	ring	thick
mash	chop	moth	bang

KINETIC LETTERS: This week the children have been learning about the fisher family. These letter all hang down below the line to catch the fish. The g and j sheets is attached so your child can practice the letter at home.

MATHS: This week the children have been learning how 6, 7 and 8 are made using 2

numbers. They have been using the sentence "___ is a part, ___ is a part and the whole is ___" We have been using tens frames to help the children make these numbers.

WORD AWARE: This week the children have been learning about and using the words below.
