**KINETIC LETTERS:** This week the children have been learning about the slider family they slide down and slide up. The v and w sheets are attached so your child can practice the letter at home.

**MATHS:** This week the children have been recapping their learning of 1 more. They have instantly been recalling saying sentences such as "1 more than 5 is 6, 1 more than 8 is 9, 1 more than 7 is 8." They have also used a tens frame to support their understanding of one more. Later in the week we have learnt about height. The children have been using the language tall/taller and short/shorter to compare the height of different objects.

**WORD AWARE:** This week the children have been learning about and using the words below.

**ROSIE'S WALK:** This week the children have been learning the story of Rosie's Walk. We have been describing the fox and using these words to add more detail to the story. Grandma Fantastic has also been helping the children learn new adjectives to enhance their sentence writing.
