LONGDOWN DAIRY FARM TRIP

Wow what a busy week we have had. The children were amazing on their first school trip and enjoyed joining in with all the farm activities. There was even a member of the public, who was visiting the farm, went out of their way to contact the school to say how impressed they were with the children's behaviour and how much fun they were having! Well done Year R, we are very proud of you. Thank you also to the helpers who volunteered their time to come on the trip.

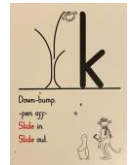

THIS WEEK WE HAVE LEARNT

PHONICS: We have revised the digraphs we have already learnt. This week we have focussed on **ow** as in **cow** and **ar** as in **car**. Your child should have brought home a phonics book this week with a list of words for them to read. We have been reading these all week.

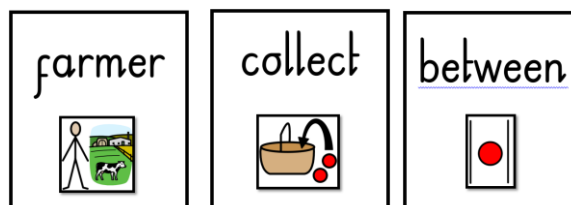

KINETIC LETTERS: This week the children have been learning about the slider family they slide down and slide up. The **k** sheet is attached so your child can practice the letter at home.

 **MATHS:** In Maths we have been learning about doubles. This is where the same number is added together. For example Double 2 is 4. The children have been learning all the doubles up to double 5. Numberblocks have an episode on iPlayer, Series 2: Double Trouble.

WORD AWARE: This week the children have been learning about and using the words below. They enjoyed using these words when we went to the farm!

I CAN SEE: This week the children have been using their experience of the farm to write sentences about the animals they saw. They have used some *Grandma Fantastic Words* to make their sentences more exciting.

"I can see a muddy pig."

"I can see a brown and cheeky goat"
