Year R Weekly
Information Sheet
28/3/2024

Another busy term in Year R is complete! The children have been working so hard on their writing this term and are becoming more confident with their phonic sounds. We are really proud of what the children have achieved. We had another successful trip this week, this time to the church. The children were amazing on the walk and enjoyed joining in with the singing. Thank you to the adults who gave up their time to walk to and from the church. We hope you all have a restful 2 weeks ready for more fun in the Summer term.

THIS WEEK WE HAVE LEARNT

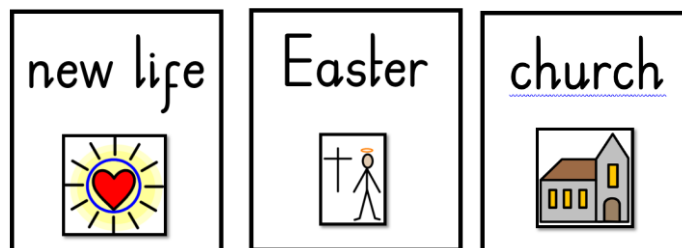

PHONICS: We have revised the digraphs we have already learnt. This week we have focussed on **or as in fork and ur as in surf**. Your child should have brought home a phonics book this week with a list of words for them to read. We have been reading these all week.

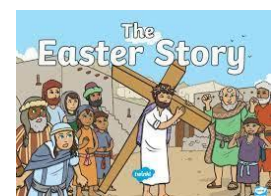

MATHS: In Maths we have been recapping our learning of pattern. The children have been continuing and creating their own 2 piece repeating pattern. They have they used this skill to decorate their Easter egg.

WORD AWARE: This week the children have been learning about and using the words below. They have been using these words in our RE sessions where we have been learning about Easter.

RE: This week we have been identifying signs of new life and linking this to the Easter Story. The children have enjoyed exploring the outside areas of the school looking for buds, birds, flowers and other signs of new life. We also linked this to our far trip where we saw baby chicks, baby goats, piglets and calves. We have finished the week by understanding why Christians celebrate Easter and learning about the Easter Story. Which was supported with our visit to the church on Wednesday.

We know this will be a change for some children so please discuss these options with your child and make sure they know what they are choosing.
