WELL DONE TO DOLPHINS CLASS!

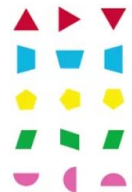

What a fantastic assembly, the children were all amazing and brave for standing up in front of lots of adults. We are very proud of you all.

THIS WEEK WE HAVE LEARNT:

RE

In RE this week the children have been learning about special clothes. They enjoyed sharing their photos of their special clothes. We then looked at other peoples special clothes like police, firefighters and even our own school uniform. The children then found out what a Bishop in the Christian church would wear that was special and also what a Sikh person would wear that is special. Thank you to Mrs Singh who shared her special clothes and items.

MATHS: In maths this week the children have been learning about rotating shapes. We have looked at different 2D shapes in pictures and how we can rotate these to make a picture. Have a look at some shape pictures and see how they have been rotated.

WORD AWARE: This week the children have been learning about and using the words below.

Special	Christian	Sikh	after

INFORMATION FOR GROWNUPS

CLASS SHOWCASES: On Friday 7th June RLB (Starfish Class) will be having their class showcase. We look forward to welcoming the families of this class to watch. The assembly will start at 9:30am. Families are asked to line up at the Imperial Avenue gate, the gate will then be opened once everyone is ready.

YEAR R ACTIVITY TRAIL: We have been finding that children are using the activity trail after school. Please can we ask that children do not use this area after school for their own safety, thank you for your support.

WATER BOTTLES: With the weather warming up please can children bring a water bottle in daily. We have an increasing number of children requesting cups of water which we would like to avoid as they are not reusable.
