Year R Weekly
Information Sheet
28/6/2024

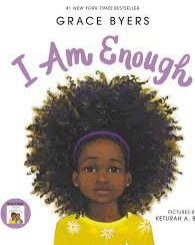

THIS WEEK WE HAVE LEARNT:

We started the week with the excitement that our caterpillars have now become chrysalises. We are keeping a close eye on them as it won't take them long before they will start to hatch which completes the cycle of becoming a butterfly!

MATHS: In maths this week the children have been continuing their addition using a part part whole model. The children place the 2 groups in the parts of the model then move them to the whole section when they add them together. We all said together:

"__ add __ equals __."

DIVERSITY: This week we have been thinking about how we are all different. The children have been celebrating the diversity of our class. We have been sharing lots of books, one of our favourites is 'I am enough.'

WORD AWARE: This week the children have been learning about and using the words below.

different	diversity	enough
