**Year R Weekly  
Information Sheet  
5/7/2024**

## **A BUSY WEEK IN YEAR R!**

Very exciting things have been happening this week. Our caterpillars have started to hatch out of their cocoons! We now have some beautiful butterflies. Each day Mrs DL has been letting free the butterflies which have hatched. It has been fascinating seeing how they have changed in just a short time.

### **TRANSITION DAY:**

We are so proud of our Year R children this week. Spending the day in a new classroom with different adults can be daunting but the children were all amazing. Miss Godwin and Miss Kenway were so pleased at how well the children followed lots of new instructions and enjoyed the day. Well done Year R!

### **SPORTS DAY:**

Thank you to all the adults and toddlers that came to sports day. The children were fantastic at completing their activities. Well done to the adults and toddlers who joined in with the races too. It was lovely to see so many of you supporting the children.

## **THIS WEEK WE HAVE LEARNT:**

**MATHS:** In maths this week the children have been learning about positional language.

This is the language children use to describe where something is. They have been looking at picture and objects and using the words next to, under, on top, in, behind. We played a game where children would find a place in the classroom and then we had to describe where they were.

**TIME TO SHINE:** This week we have been learning the story of Whatever Next. The children have been looking at the bear to describe what he had to take to the moon. The children have started to write sentences such as:

- He had a brown box for a rocket.
- He had a shiny helmet to protect his head.
- He had rubber boots for his feet.
- He had a cuddly teddy to hug.
- He had delicious food to eat.

**WORD AWARE:** This week the children have been learning about and using the words below.
