Year R Weekly  
Information Sheet  
12/7/2024

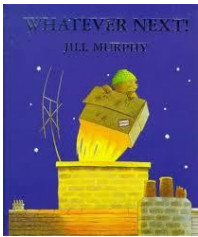

### ANOTHER BUSY WEEK

We have had another exciting week in Year R. It was lovely to see so many of you attending the summer fayre. Today we finished the week with our teddy bear picnic. The children enjoyed making their biscuits and sandwiches then sitting together outside for their picnic with their teddy.

### THIS WEEK WE HAVE LEARNT:

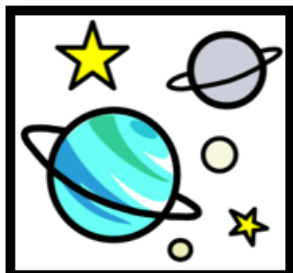

**MATHS:** In maths this week the children have been learning about subtraction. We started the week by acting out a bus by using chairs. The children go on the bus and then we would take them off saying the sentence \_\_\_ take away \_\_\_ equals \_\_\_. The children then had their own bus tens frames. They used bears and people to put a starting amount on the bus and then subtract a given number to 10.

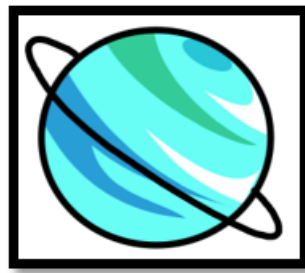

**TIME TO SHINE:** The children finished their super writing this week. The children have worked hard to write their sentences which are going to be their first piece of work in their new Year 1 book! The children have enjoyed acting out the story of What Ever Next using a box to go to the moon, taking their picnic with them and making an owl friend on the way.

**WORD AWARE:** This week the children have been learning about and using the words below.
